Sales tax It is worked out from the ship-to address and shown as its own line. An exempt organization sends its certificate with the order; a person reviews it before the invoice is prepared, and the invoice then shows no tax, as here.

How to pay By ACH bank transfer or by card, from the secure Stripe link in the email this invoice arrives in. The name on your statement is Measurement Ally, Inc.

Your purchase order The number you give on the order form is printed on the invoice, as above.

To reorder Every invoice carries a reorder link in this space. It opens your last order already filled in; you confirm or change the number of cases. No login.

Questions Call 614-647-4554 or email hello@woopsi.ink. A W-9 is sent on request.
